

Supplemental Application - Faculty Wenatchee Valley College

The Wenatchee Valley College team values excellence in all pursuits related to the core mission of the college. The college seeks to employ professionals who are as passionate about service to students and the teaching-learning process as they are about their individual fields. It seeks individuals who are involved in the community and understand that learning is best accomplished in diverse situations with diverse approaches that expand students' views of the world. The college is committed to creating an environment that is dynamic and flexible, as well as reasoned and responsible, in its approach to educating the communities it serves.

Instructions:

1. Answer each question.
2. Limit each answer to no more than one page.
3. For any of the questions you may include attachments that help illustrate your answers.
4. Your answers will be evaluated for ability in written communication as well as for content.

Questions:

1. What skills are essential to be an effective teacher? How have you acquired these skills and placed them into practice?
2. Describe the ways in which you have actively engaged and demonstrated a commitment to promoting the success of diverse students or employees.
3. What, in your estimation, are the most important roles community colleges play in post-secondary education or in the community?
4. Please share how you see your role as faculty member in a community college. What goals would you have—for yourself and for your students—in your work at Wenatchee Valley College?
