## Purpose of This Club:

Make things that combine mechanical and electrical components for an awesome result.

Travel to trade shows around the country.

Help our community by repairing complex machinery.

Put tools in your hands.

Explore technology and trade applications.

### Q: Where/When do we meet?

A: 1pm Fridays in the Industrial Technology Lab 7500.

### Q: What do you need to know to join this club?

A: Its for everyone who wants to learn (Must know who Chewbacca is).

*"Flying is learning how  
to throw yourself at  
the ground and  
miss..."*

*-Douglas Adams*
